INTERNATIONAL MISSIONS

In Belize, we have two Carepoints hosted by local churches for children to come in and are provided meals, tutoring, as well as taught about Jesus and biblical principles. We currently sponsor 76 children at these Carepoints. We offer two opportunities per year to take missions trips to Belize and visit these Carepoints and meet our sponsor children and their families. Those trips take place in July and December. We've also started a network called EMPOWER in which we provide partnership, training, encouragement and resources for local pastors in Belize.

In the future we see a great need and opportunity for a Dream Center in Belize and we are exploring, praying and strategizing what that could look like and when we could launch that. The stage has been set for us to make a huge impact in the country of Belize by caring for children through Children's Cup, caring for pastors and churches through Empower, and caring for communities through a Dream Center.
