NEXT GENERATION LANE

GOAL:

To create environments and opportunities for our children and youth to encounter the love of Christ and learn how to grow in relationship with Him.

The first years of a person's life are extremely crucial in laying a foundation for their future, and the strength of the church depends on it. We prioritize children and students when we create an environment and a culture where they learn to see God for who He is, see themselves the way He sees them, and to love others the way He loves us. We also want to continue to help students to grow in their faith by providing spiritual growth & serving opportunities for them.
